EQUAL OPPORTUNITIES POLICY

Moreton Hall prides itself on the inclusivity of its familial environment. It is committed to ensuring that no member of the school community in any way experiences discrimination because of difference arising from gender, pregnancy or maternity, disability, race, religion or belief, cultural background, linguistic background, special educational need, sexual orientation, gender reassignment or academic or sporting ability.

Our ethos champions a strong mutual understanding between all members of our community and the importance of being a family of individuals. This ethos is fostered by means of PSHE, assemblies, lessons and the way all members of the community are expected and encouraged to behave towards each other.

Further information may be found under our Admissions and Accessibility documents, both of which are found on our website and are available from the school office on request.
